Camp Allen Summer Interpreter Unification Institute was developed by Partners with Interpreters, a focus group comprised of interpreter leaders in the greater Houston area—from both the educational field as well as the community—which wanted to bridge the gap between the two and promote unity among all interpreters. The Summer Interpreter Unification Institute is for all interpreters within greater Houston and surrounding area. The institute will offer activities to develop professionalism, ethics, unity, pride, intrinsic motivation, etc. Thirty interpreters will be accepted into this institute. They will be chosen based on their job performance, attitude and willingness to attend workshops/conferences on their own time during the past year. The group is looking for the self-motivated, conscientious interpreter who truly wants to better himself/herself. The institute will be held at Camp Allen with lodging, meals, activities provided for a \$20.00 registration fee. Information about the facilities can be found at www.campallen.org This event is a wonderful opportunity that all interpreters will surely want to attend. Interpreters will need to fill out the application and return it as well as the documents requested by the dates specified on the application. The dates will be strictly adhered to. Send them to the address on the application as soon as possible so you can be considered for selection. Partners with Interpreters is proud and excited to offer the Camp Allen Summer Interpreter Unification Institute!
